

CORPORATE AND GROUP TRAINING

Do you believe in:

- Acquiring new knowledge and skills to maximize your impact
- Negotiating properly to save time and minimize stress
- Finding smart ways to negotiate and appreciating the science behind these practices.

If so, then Enlightened Negotiation® is the answer!

Enlightened Negotiation® Training offerings are customized for individual organizations. Each offering is specifically designed to explore challenges and opportunities in your organization for superb efficiency and productivity.

With our trainings, employees can transform their personal interactions, and consequently their work environments, into places of increased engagement, innovation, and productivity.

I want to thank you for all of your hard work and persistence in making the retreat the most wonderful experience during my entire involvement with YPO over the last 20 years.

-Tyler & Jean Young, Education Chairs YPO Gold

I think the event and your sessions were a great success. While it was outside the box of what people typically expect at a corporate training retreat, I think my team was open to explore new approaches and ideas and the feedback has been very positive.

-Leo van den Thillart, Managing Partner Private Funds Group, Brookfield Asset Management

The Enlightened Negotiation® Training teaches participants how to combine their current interaction skills and previous hard-won experience with a new mindset and skillset.

After training your team will be able to:

Engage your most valuable resource; the innate desires of human beings to connect, create and prosper

Manifestation

Initiate skillful trust building within/outside your organization, colleagues, clients, employees and co-workers

Trust

Maximize collective gains by setting course toward mutual intention

Intention

Tap into creativity for efficient interactions and innovative problem solving

Flexibility

Cultivate a culture of positivity and enthusiasm

Mindfulness

Enhance communication skills to make clear, cohesive and pleasant interactions the status quo

Communication

Develop a habit of Conflict Prevention instead of Conflict Resolution

Reflection

Inspire team members to find their unique source of strength

Strength
